IV. NEW BUSINESS:

1. Information/Discussion: PSAP Regionalization Implementation Plan Update.

   Steve Haberman, Mission Critical Partners (MCP), gave a PowerPoint presentation update on the PSAP Regionalization Plan. Chief York inquired if the presented PSAP Regionalization Constellation Model has been utilized with other clients near the Imperial Valley. Jamie Young, MCP, mentioned there were not any in Southern California, but in the Bay area and in Silicon Valley, there were a few agencies utilizing virtual consolidations. Chief York requested to get the contact information for those agencies. He would like to see how the Constellation Model operates before committing to invest in this program. Abraham Campos added how the board agrees on the plan but is divided on the cost side of it. Chief Duran commented how the board needs to look at the basics. There are four police agencies running PSAPs in the Valley that carry most of the load and what could be done is consolidate those four agencies first. Chief York added how he does not believe the cost of consolidating can be afforded by any of the organizations within the Imperial County.

   Recommendation: None requested.

   Final Action: None requested.

2. Discussion/Action: The Board will consider the appointment of an alternate to serve on the NextGen Board, which convenes in San Diego.
